Beautiful 4 bedroom 3 bathroom home with over 2,000 sqft of living space in a great West Lancaster neighborhood! The interior offers vaulted ceilings as you walk in, and has a lot of natural lighting throughout. This home has an open floor plan with laminate flooring, updated light fixtures, and stainless steel appliances. The layout includes 1 bedroom & bathroom downstairs, 3 bedrooms & 2 bathrooms upstairs, a laundry room, and a large front & back yard with a covered patio! A real pride of homeownership with how well kept this beautiful home is; the definition of turn-key ready! Close to excellent schools, restaurants, and shopping centers! Come view this home today before it's off the market!
